#### **Notices of Intended Action**

**N-1.** Amendments to Chapter 7, Appeals. Allows household members who are suspected of an intentional program violation an opportunity to waive their right to an administrative disqualification hearing, if they so choose.

**N-2.** Amendments to Chapter 79, Medicaid. Rescinds rules regarding fee-for-service with cost settlement for Targeted Case Management (TCM). Also revises the existing fee schedules for TCM and Case Management (CM) under the Home- and Community-Based Services waiver and Habilitation (Hab) programs. TCM and CM provider agencies will no longer be required to submit an annual cost report. Allows the Department to standardize rates for TCM and CM provider agencies. These rates will only apply to members who are enrolled in Medicaid as fee-for-service.

**N-3.** Amendments to Chapter 79, Medicaid. Adjusts home health agency Low Utilization Payment Adjustment (LUPA) rates to reflect approximately \$1,000,000 of additional state appropriations for reimbursement in accordance with 2018 Iowa Acts, Senate File 2418, section 39. This amendment will increase home health agency provider rates.

**N-4.** Amendments to Chapter 79, Medicaid. Revises the current inpatient hospital 30-day readmission policy to exclude readmissions that are planned for repetitive or staged treatments and clarifies that the policy does not apply to critical access hospitals.

**N-5.** Amendments to Chapter 79, Medicaid. Makes the pharmacy copayment a flat copayment of \$1.00 per prescription or refill and no longer bases the copayment on the preferred or non-preferred status of the drug on the Preferred Drug List (PDL), consistent with federal regulations and state legislative requirement.

**N-6.** Amendments to Chapters 81 and 82, Medicaid. Expands the Special Population Nursing Facility criteria to include persons residing in an intermediate care facility for persons with medical complexity up to age 30. The rules will increase the number of qualified providers available to meet the needs of young adults with complex medical conditions.

**N-7.** Amendments to Chapter 87, Family Planning Program. These amendments are legislatively mandated changes regarding distribution of funds and participating providers of the Family Planning Program (FPP).
